

CITY OF NICHOLASVILLE

The City of Nicholasville is accepting applications/resumes for the position of Staff Engineer, grade 34. The starting rate for this position falls within the hourly range of \$32.83 to \$45.96. The hiring rate will be determined during the final step of the hiring process.

Under general direction of the City Engineer, responsibilities include providing engineering, systems planning, and construction administration services for Public Improvements (i.e. water, sewer, electric, streets, and storm water). Reviews subdivision plats, development plans, construction plans, and engineering analysis for Planning and Zoning as it relates to Public Improvements; may supervise department employees in the absence of the City Engineer; oversees construction of public improvement; performs related work as required.

Successful applicants must have graduated from an accredited college or university with a degree in engineering supplemented by sufficient work experience to have tested and obtained status as a Licensed Professional Engineer by the Commonwealth of Kentucky. Must possess two years' experience related to infrastructure design/construction and site development projects. See job description for more information.

This is a full-time position with benefits including Ky Retirement System, Health Insurance effective on date of hire, and paid leave. Applications and a complete job description may be downloaded from our website nicholasville.org, or picked up at City Hall, 517 N. Main St. Nicholasville, KY., and will be accepted until 4 p.m., April 29, 2024, at the same location.

Equal Opportunity Employer. If reasonable accommodation is required to fully participate in the job application or interview process, and/or to perform the essential functions of the position, please contact Kathy Rhineheimer at 859-885-1121 ext. 262 or kathy.rhineheimer@nicholasville.org.
