oral and written instructions. Must have high school diploma (or GED) in order to be considered for promotion to a position above entry-level, including Maintenance Worker II.

Special Knowledge, Skills and Abilities:

Knowledge:

1. Knowledge of, or ability to learn, equipment, materials, methods and techniques used in construction, maintenance and cleanliness of water distribution and wastewater collection systems.
2. Knowledge of, or ability to learn, the functions, servicing and maintenance requirements of mechanical equipment and machinery assigned to Division.
3. Knowledge of, or ability to learn, the geography of the service area.
4. Knowledge of work hazards and applicable safety precautions associated with equipment, tools, vehicles and procedures; and ability to comply with safety standards.
5. Knowledge of, or ability to learn, welding, pipe fitting, carpentry, concrete, etc.
6. Knowledge of traffic laws.

Abilities:

1. Ability to operate motorized equipment.
2. Ability to assist with maintenance (or preventive maintenance) and servicing program.
3. Ability to perform work activities involving carpentry, electrical, plumbing, painting, pouring concrete, etc.
4. Ability to detect mechanical problems and make minor repairs.
5. Ability to establish and maintain effective working relationships with officers, department directors, other employees, and the general public.
6. Physical ability to perform heavy labor for extended periods of time, often under adverse weather conditions.

ADDITIONAL REQUIREMENTS

Instructions: Instructions are somewhat general; many aspects of work covered specifically, but must use some of own judgment.

Processes: Work varies slightly, and seldom required to take different, new or unusual approaches in completing work assignments.

Review of Work: Most or all of completed work is reviewed.

Analytical Requirements: Duties are of a routine nature.

Physical Demands of the Job: Work requires standing, walking, stooping; must lift objects over 25 pounds; work is performed outdoors regardless of weather conditions; must operate vehicle and equipment; required to be in high places, confined spaces, and using stairs and ladders; exposed to fumes, chemicals and toxic substances.

Tools and/or Equipment Used: Vehicles, backhoe, trencher, welder, tapping machine, jack hammer, line locator, air compressor, sewer machines, hand tools, wrenches, weed-eater, chain saw, etc.

Contacts: Frequent public and internal contacts are requirements of the job.

Confidential Information: Little or no use of confidential information.

Mental Effort: Moderate.

Interruptions: Few.

Special Licensing Requirements: Must possess valid commercial drivers license issued by the Commonwealth of Kentucky, or must obtain CDL within one year after appointment to the position; must maintain license throughout employment in the class.

Certification Requirements: Must obtain appropriate Water Distribution certification issued by the Commonwealth of Kentucky within eighteen months after meeting experience requirements.

Additional Requirements: Must be able to respond to calls in emergency situations at all hours. After obtaining commercial drivers license, must participate in the City's drug and alcohol testing program in order to maintain the

commercial drivers license.

Overtime Provision: Non-exempt.

Grade 18
