

Effective April 1, 2009, the Nicholasville Police Department is no longer distributing its shoulder patch to individuals. This applies to police officers from other law enforcement agencies, as well as the general public.

The Nicholasville Police Department will, however, provide a patch to another law enforcement agency for their official patch collection, if requested in writing, on the agency's official letterhead, and signed by the head of the requesting agency.

If you meet the requirements above, please send your request to:
